

Priority Goal 1 and Associated Strategies

Area for improvement and supporting data: Technology

Increase technology usage by all stakeholders at FHS

School Goal 1:	Increase technology usage by faculty/staff, students and parents of FHS.
-----------------------	--

Supports this district goal:	
-------------------------------------	--

Target:	Improve the use of technology
Indicator:	Increased use of labs, mobile labs, other technology and web resources
Milestone date:	June 2014

Goal 1 Improvement Strategies – Identify research-based strategies

Plan/Do

	Increase professional development and training	
Strategy 1:	Action steps:	
	1. Provide MACbook training for all faculty	5. Provide EVAAS tra
	2. Provide Smartboards, projectors, flip cameras	6. Provide Power Sch
	3. Provide every teacher with an Ipad and training	7. Media Coordinator
	4. Provide training on school website	8. Technology facilitat
	Increase and encourage use of technology by all stakeholders	
Strategy 2:	Action steps:	
	1. Provide every teacher with an Ipad	5. Encourage Bring Y
	2. Provide teachers with accessibility to	6. Allow more access
	3. Send weekly Patriot Press by email	7. Provide students a
	4. Exchange out dated computers in media center	8. Offer students the
	Increase technology availability	
Strategy 3:	Action steps:	
	1. Increase the number of wireless ports	5. Provide Power Sch
	2. Increase the number of security cameras and	6. Provide each teach
	3. Transition current Black Box to a digital version	7. Media Coordinator i
	4. All administrators are available by radio and cell	8. Instructional techn

Professional development - Identify the professional development required to success

Staff person or group	Course name/title	Course provided
All faculty and staff	Technology device training	Ashlyn Dewitt
Faculty	EVAAS	Christy Arrowood
Parents & Students	Power School Training	FHS
Faculty & Staff	webpage training	Ashlyn Dewitt & Lee Church

Plan/Do

How will we fund these strategies and associated professional development?

Funding source 1:	Select a funding source	Funding amount:
Funding source 2:	Select a funding source	Funding amount:
Funding source 3:	Select a funding source	Funding amount:
Funding source 4:	Select a funding source	Funding amount:
Funding source 5:	Select a funding source	Funding amount:
		Total initiative funding:

Review frequency: Quarterly

Assigned implementation team: All Staff

Check

What data will be used to determine whether the strategies were deployed with fidelity?

Signout logs of media center labs, mobile labs, and other technology devices. Classroom observations. Wc

Check

How will you determine whether the strategies led to progress toward the goal? (Include f data as appropriate.)

The use of materials used through signout logs of media center labs, mobile labs, and other technology dev technology use. Workshop logs will show the number of participants.

What does data show regarding the results of the implemented strategies?

Based upon identified results, should/how should strategies be changed?

Act
